PROJECT EXPERIENCE

HELP! The Higher Ed. Learning Program - Python, HTML, CSS, JavaScript, SQLite, Jinja   Spring 2020
Computer Science Capstone, University of Puget Sound   Tacoma, WA
- Worked closely with client to adapt and improve principles from 1980s copy of Adobe Authorware for school-wide use, as well as implementing modern quality of life changes for user experience and upkeep
- Led team as Scrummaster, checking in with team members daily to ensure work was completed efficiently
- Creatively and efficiently created responsive webpages with Jinja, Flask, & JavaScript populated via SQLite
- Effortlessly transitioned to remote work, completing project deliverables and status reports ahead of time

HomeCook - Kotlin, Android Studio, Firebase, API   Fall 2019
Mobile Software Development, Aquincum Institute of Technology   Budapest, Hungary
- Obtained recipe data by making calls to theMealDB API efficiently and effectively
- Stored saved user data (favorited recipes, ingredients in pantry) to Firebase, accessed by Google sign-in
- Displayed all data in cleanly designed user interface with RecyclerView, CardView, external libraries and implementations

RELEVANT EXPERIENCE

Campus Visit Coordinator *(Promoted from Campus Tour Guide, 2016)*   January 2019 - May 2020
University of Puget Sound Office of Admissions   Tacoma, WA
- Organized the selection process, management, and bi-weekly meetings of a 60 student assistant work force of varying backgrounds in collaboration with student and professional staff team
- Managed over 5000 prospective student and family appointment requests annually, establishing professional relationships campus wide professors and departments
- Accurately input and tracked visits within CRM to create individualized visit experiences for visiting students
- Aided in the transition from in-person visits to online platform, connecting with students and families remotely
  - Served as face of student population interviewing President of University on Zoom call in front of over 350 prospective students and families

Parks and Recreation Intern   May 2019 - August 2019
City of Lakewood Department of Park & Recreation   Lakewood, WA
- Organized and managed a successful, 50,000 person event aimed at mobilizing and connecting the community
- Developed unique social media campaign counting down to the city's largest event of the year, resulting in an increase in 10,000 visitors
- Established relationships with thousands of community members at the weekly Farmer's Market to promote healthy eating and living sustainably
